

STELLA MARIS CHURCH MINISTRIES

Adult Sunday School Ministry

Our faith formation as Roman Catholics is an ongoing experience, reflecting on life, scripture, church teachings, in light of the Holy Spirit who guides in all truth and understanding. There is much to learn as a Roman Catholic and the Adult Sunday School aims to satisfy the questions that adults need to have answered.

Experienced and knowledgeable teachers are assigned with specific topics identified to suit the queries of the participants. It is hoped that Roman Catholics who are grounded in their faith can become sources of inspiration for their families and friends as they gain confidence through their knowledge to become effective evangelizers of our faith.

If you truly desire to grow in your faith, then do make an effort to come and learn as we consider ourselves as disciples of Christ whose mission is to reveal His truth to the world.
