

STELLA MARIS CHURCH MINISTRIES

The Flower Ministry

For over 40 years, the Ministry has been responsible for sourcing and arranging flowers for Masses and other Liturgical and Social Functions. Parishioners have generously given flowers from their own gardens for the sake of beautifying the Church and its environs.

The Ministry is now headed by Del Chai Onn, the longest serving member, along with Elaine Forbes, Laurel deMercado, Cecil Ward and others who freely give their time when called upon.

Come and join our Ministry if you would like to exercise your creative talents and share the beauty of God with the gift of flowers.
